GEORGIA

DegreeWorks Refresher Webinar

*UGA Office of the Registrar
DegreeWorks Team*

Overview

- Review DegreeWorks features and functionality.
- Review Registrar and academic processes.
- Provide information about the new changes in DegreeWorks.
- Answer some frequently asked questions sent to the DegreeWorks Team.

DegreeWorks

- DegreeWorks is a web-based tool that helps students and advisors monitor student progress towards degree completion.
- DegreeWorks tracks completed coursework as well as courses and requirements still needed for degree completion.
- [DegreeWorks Resources](#)
- <https://reg.uga.edu/general-information/degreeworks/>

The screenshot shows the official website of the University of Georgia Office of the Registrar. At the top left is the university's logo, featuring a stylized archway and the year 1785. To the right of the logo, the text "Office of the Registrar" and "UNIVERSITY OF GEORGIA" are displayed. In the top right corner, there are links for "Contact Us" and "Calendars", along with a search bar labeled "search by keyword(s)". Below the header is a red navigation bar with white text links: "Students", "Enrollment & Registration", "Student Forms", "Faculty & Staff", "General Information", and "Faculty Governance". The main content area features a red arrow pointing to the "DegreeWorks" section. Under this section, there are links for "DegreeWorks FAQs", "Tutorials and Resources", and "User Access". To the right of these links, the "DegreeWorks" title is followed by a description: "DegreeWorks is a web-based tool to help students and advisors monitor a student's progress toward degree completion." Below this, a paragraph explains that the system combines the university's degree requirements with completed coursework into a worksheet to track progress. It also states that the system is designed to aid academic advising and is not intended to replace face-to-face sessions. The text concludes by stating that DegreeWorks can be accessed at <https://degreeworks.uga.edu>.

The DegreeWorks Team

- Comprised of a two-person team and supervisor in the Office of the Registrar.
- Our primary functions are:
 - Entering program requirements from the UGA Bulletin into DegreeWorks. This DegreeWorks programming process is called **Scribing**.
 - Assisting students and advisors with questions about degree audits.
 - Conducting an Intro to DegreeWorks and Plans Training course each semester.
 - Next Intro to DegreeWorks Class - Tuesday, September 9th.
 - Sign up through the PEP (Professional Educational Portal) website.
- Contact the DegreeWorks Team at degreewk@uga.edu.

The UGA Bulletin

- The UGA Bulletin is the official publication for academic matters at the University of Georgia.
- DegreeWorks is programmed based on the [Bulletin](#) requirements.
 - [Bulletin Archives](#)
- Schools/Colleges will now submit curriculum changes through the PARC system (aces.uga.edu).
- Requirements for the 2025-2026 Academic Year have already been scribed.
- If you have any questions about PARC or the UGA Bulletin, you can email Curriculum Systems at bulletin@uga.edu.

The UGA Bulletin

- The requirements listed in a student's DegreeWorks audit are based on the student's specific Bulletin Term.
- A Bulletin Term is often the term that a student was accepted or readmitted into a program. Students in multiple programs may have different Bulletin Terms for each program. A student may choose to move up to a new Bulletin Term but cannot go back to a previous term.
- Example: A student entering UGA during the Fall 2020 Bulletin Term is subject to the 2020-2021 Academic Year requirements (Fall 2020, Spring 2021, Summer 2021). This is reflected in the **Degree**, **Area VI**, and **Major** blocks.

Degree: Bachelor of Science

COMPLETE

Credits Required: 121

Credits Applied: 127

Bulletin Term: Fall 2020 - Bulletin

Matriculation Term

- Matriculation Term is the term in which a student officially enrolls and begins their academic journey at the University of Georgia.
- A student's Matriculation Term usually does not change – even if they leave the University and come back years later.

How Does Student-Specific Information Appear in an Audit?

- **Banner** is the official source of record for student information at UGA.
 - It contains records on registration, curriculum, directory information, financial aid, graduation, grades, holds, and other academic information.
 - The Offices of Undergraduate Admissions, Student Financial Aid, and the Registrar all have access to this database.
- **Athena** is the self-service side of Banner.
 - It provides some information from Banner without requiring the elevated access given to administrative offices.
 - Athena is most often used by students, advisors, and faculty.

Schedule of Jobs

- DegreeWorks is updated using Banner information in daily and weekly jobs.
- **Daily Job** – This job runs every night around 8 PM.
 - Refreshes all student audits that have changed in some way.
 - Changes could include major/minor/AOE changes, GPA changes, grade updates, class registration changes, etc.
 - This job takes several hours to run as it refreshes hundreds or thousands of audits over several hours.
- **Weekly Job** – This weekend job runs every Sunday at 12:10 AM.
 - Refreshes audits only for students impacted by scribe changes.
 - Typically completes within a few hours, depending on the student population.
- Most changes during the week are reflected in DegreeWorks within 24-48 hours.
- These jobs run consistently unless some other IT maintenance is scheduled.

Manually Refresh and Process New Information

- The **Refresh** button pulls new Banner information into DegreeWorks if applicable.

Data Refreshed 05/13/2025 3:40 PM

- The **Process** button runs/processes a new student audit.

PROCESS

Audit Date 05/13/2025 3:40 PM

Transfer Work

- The Office of Undergraduate Admissions processes all incoming transfer work.
- If transfer credit is missing from an audit, students should contact the Undergraduate Admissions office (adm-info@uga.edu) .
- Undergraduate Admissions can assist with questions pertaining to incoming transcripts, transfer credit evaluation, and transfer credit hours.
- For questions about why a transfer credit is not falling into a certain area in the audit (and it is not a repeat/duplicate credit), advisors can either start the Exceptions process to manually move courses or reach out to the DegreeWorks Team for further assistance.

Repeat Credit

- **How can two instances of the same course meet requirements in the audit?**
 - If both courses have the same prefix and course number, the earlier attempt will move to Non-credit and the new attempt will count in the audit.
 - If they are equivalencies, both courses will stay in the audit until the new attempt has a letter grade. Banner end-of-term processing will mark the older course as a repeat, and it will fall into the Non-credit section.
 - **Example of Equivalencies:** POLS 1101, POLS 1101E, POLS 1101H, POLS 1101S
- If you think a course should/should not be marked as a repeat course once all grades have posted, below is contact information for transfer and UGA courses.
- **Transfer Courses:** The Office of Undergraduate Admissions (adm-info@uga.edu) must be contacted to make this change.
- **UGA Courses:** The Office of the Registrar Academic Support (regsupp@uga.edu) must be contacted to mark one of the attempts as a repeat.

Math Waiver

- **What is the Math waiver?**
- The Math waiver allows the Core Area I Mathematics requirement to be waived for students with passing credit in MATH 2022, 2110, 2200, 2250, 2300H, 2400, 2400H, 2410, 2410H, or STAT 2000.
- The Area I Math requirement automatically checks off if the student is in a program that allows the waiver and has taken an applicable math.
- The waiver does not apply to all programs.
- DegreeWorks is scribed with the courses and programs that allow a Math Waiver. This is information provided to us from Curriculum. Please contact them if you have any questions.
- The course used for the waiver can fall into another requirement. This allows the student an opportunity to take an additional General Elective since one of their Area I courses is being waived.

Frequently Asked Questions

For more FAQ resources, please see [DegreeWorks](#) FAQs & Tutorials and Resources pages.

DegreeWorks Features

New Features and Recently Added Components

Undergraduate Certificates

Undergraduate Certificates will now be tracked in DegreeWorks.

- Certificate requirements will be displayed for **Fall 2025 and forward**.
- Students prior to Fall 2025 will see a message stating that DegreeWorks requirements are unavailable for their Bulletin Year.
- **Note:** *Some certificate audits prior to Fall 2025 will display a college block. These college requirements are not applicable but could not be removed from the audit. Messaging has been added to the block stating that these requirements are not applicable.*

Certificates Prior to Fall 2025

Undergraduate Certificate INCOMPLETE

Bulletin Term: Summer 2018 - Bulletin

- ☐ Certificate Requirements **Still needed:** Certificate requirements are not available prior to Fall 2025. Please consult with your advisor and the Bulletin to track certificate completion.

Honors Requirement

INCOMPLETE

Courses that apply ONLY to the Honors requirements below are counted in the general electives allowed for this program.

Your Honors GPA is 4.00. To graduate with Honors from the Honors College, a minimum 3.40 cumulative GPA and 3.30 Honors GPA are required.

Students with higher GPAs may complete additional capstone coursework, beyond the requirements listed here, in order to graduate with High or Highest Honors. For more information about Honors College graduation distinctions, visit <https://honors.uga.edu/academics/graduation/>.

| | Course | Title | Grade | Credits | Term | Repeated |
|---|---|---|------------------------|---------|------|-------------|
| ✓ | Minimum 3.3 Honors Courses GPA | | | | | |
| ○ | Nine Full Honors Courses | Still needed: First year admits must complete 9 Honors courses, including at least 3 upper division. Three of the following one-credit-hour courses may be combined to substitute for one Honors course: HONS 1000H, HONS(FRES) 1990H, HONS 2801H, BIOL 3900H, ILAD 5000. Only one such substitution is permitted. | | | | |
| ○ | Three One-Credit Honors Courses and Eight Full Honors Courses | You must complete all of the following: | | | | |
| ○ | Three One-Credit Honors Courses | HONS 1000H | Intro to Honors | S | 1 | Fall 2017 |
| | | You have 1 one credit Honors classes, you need 2 more. | | | | |
| ○ | Eight Full Courses | GEOL 1121H | Earth Proc and Envir | A | 3 | Spring 2018 |
| | | SOCI 1101H | Intro Sociology | A | 3 | Fall 2017 |
| | | JRMC 8240 | Special Topics in EMST | A | 3 | Fall 2018 |
| | | You have 3 full Honors classes, you need 5 more. | | | | |
| ○ | Minimum of 3 Upper Division Honors Courses | JRMC 8240 | Special Topics in EMST | A | 3 | Fall 2018 |
| | | Still needed: 3 Upper Division, Directed Research/Thesis/Internship, or graduate-level Honors courses are required. You currently have 1, you still need 2 more. | | | | |
| | Upper level courses applied here also apply to the Full Course requirement above. Completion of the requirements listed in this card does not mean a distinction has been awarded - an exit review must be submitted via the Honors Network to earn an Honors College graduation distinction. Visit https://honors.uga.edu/academics/graduation/application/ . | | | | | |

Cross-Listings and Equivalencies

- Only courses appearing in PARC are shown in DegreeWorks.
- Cross-listed courses not shown in PARC will no longer display.
- Degree blocks show advice about equivalent and cross-listed courses.
- Advisors and students can look up courses using the Courses tab in the UGA Bulletin to view any cross-listed or equivalent courses.

Degree: Bachelor of Science INCOMPLETE

Credits Required: 121 Credits Applied: 115 Bulletin Term: Summer 2024 - Bulletin

General Elective Credits Required = 0. See General Electives section below for the number of elective credits that have already been satisfied. Credits taken in excess of this number may fall into the Excess Credit section.

You have 161 overall credits, which include courses applied to audit requirements, In-Progress/Pre-Registered Courses, General Electives, and Excess Credits.

To view cross-listed and equivalent courses: Online Learning (E), Service-Learning (S), Honors (H), Integrated Language (I), Writing Intensive (W), please consult the Bulletin. A link to the the Bulletin can be found under the Links menu at the top of this page.

Overall Credit

- Includes all in-progress and completed coursework applied to the audit as well as Excess Credits.
- Overall Credits were previously located within the 120 Minimum Credits Required advice in the Degree block and would disappear after 120 credits were met.
- This has been moved to the header section in the Degree block and will remain visible.

NG and I Grades

- NG (Not Graded) and I (Incomplete) grades will no longer fall into requirements blocks.
- Previously, when students received NG or I grades, the courses could fall into a requirement or into the General Electives section.
- These courses will now fall into the *Quarter System Credit and Credit Not Counted Towards Graduation* section.
- This will allow graded courses to fulfill the requirements, if applicable, for graduation clearance purposes.

What-If Audit

- The DegreeWorks What-If audit allows advisors/students to temporarily project different curricula outcomes.
- The What-If will now auto-populate the appropriate College when the Degree is selected.
- If only one program is tied to the Degree, it will also auto-populate the Program and Major.

Saving Audits

- DegreeWorks automatically saves the most current copy of an audit.
- Each time a new audit is processed, the previous version is deleted, and the new version is saved.
- You can view the current version of the audit under the 'View historic audit' box.

A screenshot of a web interface for viewing historic audits. At the top, there is a header area with the text "View historic audit" and a date/time stamp "05/23/2025 at 3:44 PM UG/BS..." followed by a dropdown arrow. Below this, there are two checkboxes, both of which are checked: "In-progress classes" and "Preregistered classes". To the right of these checkboxes is a blue button with the text "PROCESS".

- You also have the option to save a student's audit using the pdf option.

Saving What-If Audits

- Currently, DegreeWorks automatically saves one copy of a What-If Audit per student.
- Each time a What-If is run, only this most current copy is saved.
- Once we Go-Live, DegreeWorks will automatically save up to 3 What-If audits per major for each student.

- You still have the option to save a pdf version of the What-If Audit.

Saving Audits – Freeze Option

- Advisors can now ‘freeze’ a student audit. This will allow you to save a copy of the audit within DegreeWorks.

- To Freeze an Audit:

- Select ‘Save Audit.’

A rectangular button with a light blue border and a light blue background. The text "Save audit" is centered in a dark blue font. Above the button, the text "Audit Date 05/27/2025 10:36 AM" is displayed in a smaller, dark blue font.

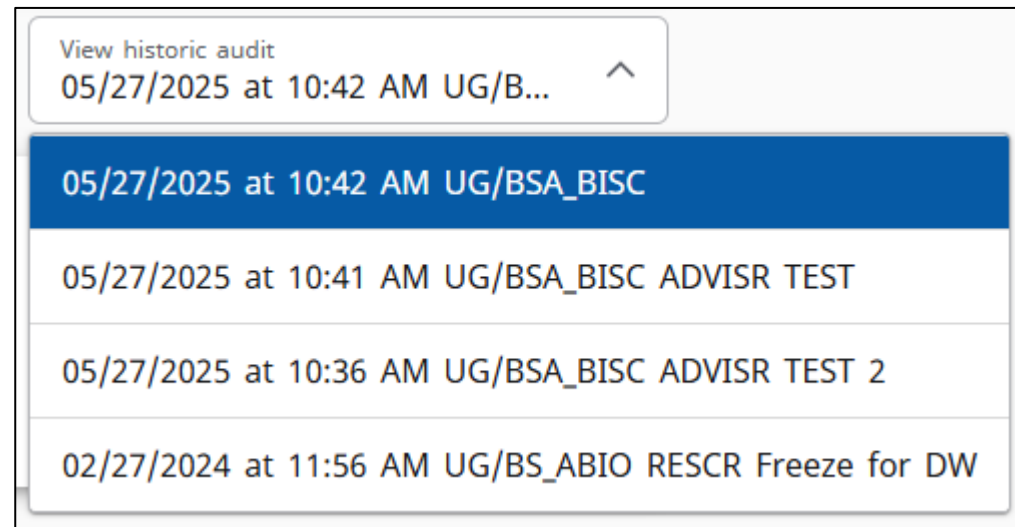

- Enter a Freeze type and Description in the Save Audit popup.

A "Save Audit" popup window with a title bar and a close button (X) in the top right corner. Inside the window, there is a dropdown menu labeled "Freeze type" with the selected option "Frozen by Advisor (ADVISR)". Below the dropdown is a text input field labeled "Description". At the bottom right of the window are two buttons: "CANCEL" and "SAVE".

- Click Save.
 - Process a new audit.

Viewing Frozen Audit

- To view a Frozen Audit:
 - Click the arrow in the 'View historic audit' box.
 - Choose the frozen audit you would like to view.

Plans Templates

- **Plans** allow users to build an individualized program of study for each student.
- **Plans templates** are pre-programmed plans of study that can be customized.
- All undergraduate programs now have a template available.
- For more information about Plans, please see the Plans Training Manual on the [DegreeWorks Tutorials](#) page. All plans and the training manual will be available the week of Monday, June 23rd.
- **There is also a Plans training session scheduled for September 16, 2025.**
