The Experiential Learning Subcommittee met on October 22, 2018, at 2:00 p.m. in 315 New College.

Representatives from the Office of Legal Affairs discussed memorandums of understanding (MoU’s) - when they are appropriate to use, how they work, and when one should be obtained. This discussion followed the Experiential Learning subcommittee’s wishes to expand Experiential Learning offerings to non-UGA-sponsored options.

The subcommittee approved the following courses to be included in the Experiential Learning Implementation Plans for the following schools and colleges and to appear on the Experiential Learning Transcript:

Warnell School of Forestry and Natural Resources
- FORS(ANTH) 4270/6270, Field Studies in Conservation (Category: Global)
- GISC 3900, Geospatial Information Science Internship (Category: Internship)

The subcommittee denied the request to include PRTM 4650L/6650L, Parks, Environmental Education, and Tourism Field Study (Category: Creative) in the Experiential Learning Implementation Plan for the Warnell School of Forestry and Natural Resources. The subcommittee felt that the CAPA course description lacked evidence of experiential learning and should be revised to include additional references to the experiential learning rubric before the course is resubmitted for consideration to fulfill the requirement. Additionally, the subcommittee felt that the category should be changed from creative to global.
The subcommittee approved the requests for the following non-credit activities to fulfill the Experiential Learning Requirement and to be included as options on the Experiential Learning Transcript:

**Franklin College of Arts and Sciences**
- Franklin Residential College Director’s Assistants (Category: Leadership)
- Franklin Residential College Executive Board (Category: Internship)

The subcommittee approved the following requests to include the following non-credit activities as options on the Experiential Learning Transcript:

**Office of Academic Affairs**
- Georgia Museum of Art Curatorial Internship, African American Art (Category: Internship)
- Georgia Museum of Art Curatorial Internship, American Art (Category: Internship)

- Georgia Museum of Art Public Relations Internship (Category: Internship)
- Georgia Museum of Art Publications Internship (Category: Internship)
- Georgia Museum of Art Registration Internship (Category: Internship)

**Office of Instruction**

The subcommittee provisionally approved the request from the Georgia Museum of Art to include Georgia Museum of Art Student Docent (Category: Internship, to be included as an option in the Experiential Learning Transcript, pending additional language regarding an exit interview. Subsequent to the meeting, this revision was made and the request was approved.
