Dear Professor Shipley and Committee Members,

The College of Veterinary Medicine has eight courses co-taught by two different departments which have previously been listed under both department's prefixes.

We are requesting the creation of a new prefix called "VCOM – Veterinary Comparative Medicine" in which to house these courses which are co-taught and shared equally by two departments. If the new prefix is approved, the appropriate change requests will be submitted through CAPA.

The list of courses that would be moved to this prefix are as follows:

LAMS/SAM 5150	Physical Diagnosis
LAMS/SAMS 5203	Principles of Anesthesia
LAMS/SAMS 5359	Musculoskeletal Diseases
SAMS/LAMS 5201	Advanced Clinical Dermatology
SAMS/LAMS 52055205L	Comparative Clinical Dermatology
SAMS/LAMS 5270	General Surgery Practicum
SAMS/LAMS 5373	Small Animal & Large Animal Basic Surgical Techniques
SAMS (VBDI) 5280	Veterinary Clinical Immunology

Thank you for your consideration of this request.

Sincerely,

K. Paige Carmichael, DVM, PhD, DipACVP
Josiah Meigs Distinguished Teaching Professor
Associate Dean for Academic Affairs
