CAMPUS

Dear Hugh:

The Graduate Faculty of the Department of Romance Languages met on 9 March 2007 to discuss termination of the MAT degrees in French and Spanish offered by this Department. The main rationale for termination was that we have been unable to attract students to this degree due to the fact that the Department cannot provide teaching certification. The Graduate Faculty voted in favor of termination by a vote of 15 Yes, 0 No, 2 Abstain.

At the time of the vote, 1 student was enrolled in the MAT in French. This student will be switching to the MA in French. No students have been adversely affected by the departmental decision to terminate. The faculty in Romance Languages have a strong commitment to our MA and PhD programs in French, Italian, Portuguese, Romance Languages and Spanish. For these programs we have a total of 65 new or returning graduate students for AY07-08, and it is here that we wish to concentrate our efforts at the graduate level.

Sincerely,

Noel Fallows
Professor and Head

II. Conditions for Deactivating or Terminating Programs

The deactivation (temporary suspension) or termination (discontinuation) of programs is expected to address satisfactorily the conditions listed below in order to be approved and implemented within the University of Georgia. Please provide sufficient information to confirm each condition.

1. Provide copies of the studies and decisions that warrant deactivation or termination of the program.
2. State the reasons for deactivating or terminating the program.
3. State the plans for allowing those students already in a program to complete degree requirements.
4. What will be done to minimize the impact of deactivation or termination of the program upon the personal and professional lives of the faculty involved?
5. What will be done to insure that deactivation or termination of the program does not weaken other programs (graduate, undergraduate, or professional) for which the department may be responsible?
6. What plans, if any, is there for subsequent reactivation or reinstatement, respectively, of the deactivated or terminated program?
