PROPOSAL TO ESTABLISH OR CHANGE THE HIGH-DEMAND STATUS OF AN UNDERGRADUATE MAJOR

Date: March 3, 2021
School/College: Franklin College of Arts and Sciences
Department/Division: Lamar Dodd School of Art
Program: Art (B.F.A.) with an Area of Emphasis in Graphic Design
Proposed Effective Date: Fall 2021

1. Anticipated Number of Applicants

   If the capacity of the major is smaller than the anticipated number of applications, the major may be designated as high-demand.

   a. Provide the capacity of the area of emphasis for both this academic year and the following academic year.
      The area of emphasis will accept up to 36 students annually in 2021-22 and 2022-23.

   b. Provide the anticipated number of applications for both this academic year and the following academic year.
      Approximately 45 applicants are anticipated for the 2021 portfolio review. Maximum applicants expected is approximately 65 due to maximum enrollments in requisite courses.

2. High-Demand Majors

   a. What is the academic justification for restricting the major?
      Limitation of faculty and available instructors, limitations of facilities, and maximum enrollments of studio courses.

   b. Provide the criteria which will be used to determine which of the applicants meeting entrance requirements will be admitted to the major.
      - Students must have completed or be concurrently enrolled in the required studio core courses common to all B.F.A. art degree concentrations (ARST 1050, ARST 1060, and ARST 1080) with a grade of C (2.0) or better. *(Students may apply to the area of emphasis while concurrently enrolled, but acceptance will be contingent upon completion of the courses with a grade of C or better.)*

      - Completion of ARGD 2010, Graphic Design Survey with a grade of C (2.0) or better. *(Prerequisites: completion of ARST 1050 and ARST 1060 or 1080)*

      - Completion of or concurrent enrollment in ARGD 3020 and ARGD 3030
Once students are enrolled in ARGD 3020, they may apply for acceptance to the major via portfolio submission during School-wide portfolio review. 

Assessment Criteria: Applicant portfolios will be assessed on: Understanding of Design Principles; Execution and Craft; Design Exploration and Investigation; and Overall Organization, Curation, and Presentation of the Portfolio.

3. Attach responses from other schools and colleges, if applicable.

Not applicable.

4. Provide a contact person for information concerning the criteria and application deadlines. Moon Jang moonjj@uga.edu or Julie Spivey jspivey@uga.edu

Approvals:
