

GENERAL EDUCATION SUBCOMMITTEE – 2019-2020

Committee Members:

Rodney Mauricio, Chair, Franklin College of Arts and Sciences
Brian Glaser, College of Education, absent
David Spooner, College of Environment and Design
Patricia Hunt-Hurst, College of Family and Consumer Sciences
William Vencill, Ex-Officio

The General Education Subcommittee of the University Curriculum Committee met on August 27, 2019 in 115 Holmes-Hunter.

The subcommittee approved the request to include the following course in the list of courses that satisfy the General Education Core Curriculum:

Core Area IV, World Languages and Culture
SOWK 2155, Communication in the Helping Process

Core Area V, Social Sciences
AAEC 2710, Food Fights: Analysis of Global Food Policy Issues
SOWK 2154, The Profession of Social Work

The subcommittee reconsidered and approved the following previously approved course because the course objectives have been revised:

Core Area III, Quantitative Reasoning
BIOS 2010, Elementary Biostatistics (previously approved as BIOS 2010-2010L)

The subcommittee denied the following course to fulfill Core Area IV, World Languages and Culture, of the General Education Core Curriculum:

AAEC 2710, Food Fights: Analysis of Global Food Policy Issues

The subcommittee discussed the USG General Education Initiative, the General Education Assessment status and timeline, and the inclusion of the new General Education learning outcomes in course syllabi. A letter will be drafted (to be reviewed by Rodney Mauricio) to be sent to all departments offering general education courses reminding them of the requirement to add the general education learning outcomes to their syllabi.

The meeting adjourned at 5:00 p.m.
