

The University of Georgia

College of Pharmacy

30 September 2015

Provost Pamela Whitten  
Senior Vice President for Academic Affairs & Provost  
203 Administration Building  
Campus

Dear Provost Whitten:

On behalf of the College of Pharmacy, I am pleased to forward the College of Pharmacy Experiential Learning Implementation Plan. This plan was approved by the faculty of the College of Pharmacy.

Please let me know if you need further information.

Sincerely,

George Francisco  
Associate Dean

cc: Svein Øie, Dean, College of Pharmacy  
Henry Young, Chair, College of Pharmacy Curriculum Committee  
William Vencill, Chair, University Curriculum Committee  
Linda P. Bachman, Director, Office of University Experiential Learning

**College of Pharmacy**  
**Experiential Learning Implementation Plan**

**Certification Officer: Michael Bartlett, Interim Assistant Dean and director of the Bachelor of Science in Pharmaceutical Sciences program**

The Bachelor of Science program in Pharmaceutical Sciences, offered by the Department of Pharmaceutical and Biomedical sciences in the College of Pharmacy, requires that all students participate in at least one year of undergraduate research. In a typical plan of study, students enroll in these courses during their fourth year. In addition to the undergraduate research component, students may participate in internships and other forms of experiential learning as part of their program of study.

**The courses that fulfill the requirement are as follows:**

*PMCY 4960 Pharmaceutical Sciences Research I*

*PMCY 4970 Pharmaceutical Sciences Research II*
