

Environmental Awareness Subcommittee – 2021-2022

Subcommittee Members:

Rodney Mauricio, Chair
Nick Fuhrman, College of Agricultural and Environmental Sciences
Shannon Hostetter, College of Veterinary Medicine
Amanda Rugenski, School of Ecology
Anne Marie Zimeri, College of Public Health

The Environmental Awareness Subcommittee of the University Curriculum Committee met on February 25, 2022, at 9:30 a.m. via Zoom.

The subcommittee unanimously approved the minutes of the January 20, 2022, meeting.

The subcommittee approved the requests to include the following courses in the list of courses that fulfill the University-wide Environmental Awareness Requirement:

- ANTH 2045, Introduction to Biological Anthropology¹
- ANTH 4085/6085, Conservation on a Changing Planet
- ANTH(ECOL)(WILD) 4746/6746, Primate Conservation
- BIOL 2104H, Organismal Biology (Honors)

For Discussion:

The subcommittee recommended the removal of the fulfillment of the environmental awareness requirement for courses satisfied through AP testing. A vote was called and was unanimously approved. This decision will go to the full University Curriculum Committee as an information item.

The next meeting of the Environmental Awareness Subcommittee is scheduled for Tuesday, March 2022 at 2:30 p.m. via Zoom.

The meeting adjourned at 10:20 a.m.

Rodney Mauricio, Chair
